Lead With Impact

This empowering leadership program is for dedicated leaders and professionals who want to make their own voice heard and create powerful impact!

Do you long for a different course in work (and life) and shape your leadership in your authentic way?

Do you want to refine and strengthen your true leadership qualities and impact?

Do you want to create space for connection, innovation and playfulness in your team or company?

Ready to be inspired and reinforce your potential and wisdom moving towards sustainable change?

Then register now for our Lead With Impact program!

Lead With Impact is an inspiring program to discover yourself as a leader on a deeper level. You and your fellow participants meet each other sharing wisdom, expertise, courage, relaxation and with a touch of humor!

What can you expect?

- you will delve deeper into what drives you and how you can empower your impact
- you will learn to use your body, intuition and unique potential effectively to lead yourself and others
- you communicate in an open, authentic way to explore and strengthen team synergy
- you create sustainable relations and give space to energy, counter-voice and creativity

***You lead a dynamic environment
where new ideas flow and
team energy is contagious!***

Lead With Impact

Lead With Impact is a unique leadership program of 6 days facilitated in a period of 6 months. This offers space for deepening and experimenting during the training days and self exploration in your own field of work in between the modules.

What is part of Lead With Impact?

- 6 days on location, including lunch
- 1x personal coaching session with Eef or Nynke
- module (group) assignments for between the days
- feedback on personal Lead With Impact Plan

What will it bring you?

More energy, wisdom and focus

You have discovered new dimensions of your leadership, set a clear course and take on challenges with enthusiasm.

Leadership with confidence and impact

You know what drives you and how to increase your impact. You stand firmly and lead powerfully and naturally from within.

Strong and inspiring collaborations

Relationships are sustainable, filled with fun, respect, healthy interaction and mutual growth.

Effective interventions and a clear vision

You have a clear vision of your leadership and lift yourself, your team and the organization to a higher level.

Looking for more individual guidance?

We offer a special VIP package!

- 3 extra coaching sessions between the 6 days, or a profile analysis (ME+U/ MBTI) + 1 extra coaching session
- Guided lunch session afterwards to follow-up in your own (work) setting
- Individual session with facilitators on personal Lead With Impact Plan for 2026!

This VIP package has a surcharge of €995,- excl. VAT.
